

JustTeak™

Premium teak protection

A simple solution to clean, brighten and protect your teak

Treated teak decking with addition of our Teak Sealer

Protect your outdoor furniture and decking

WHY YOU SHOULD USE JUSTTEAK™

JustTeak™ is a marine-grade teak cleaning system that quickly and easily rejuvenates your teak. It will clean, brighten and once sealed protect your teak decking and outdoor teak furniture.

PART 1: TEAK CLEANER

Renews your valuable teak, removing stains, greying and old coatings, whilst being gentle on your teak.

PART 2: TEAK BRIGHTENER

Removes light stains and greying. Brightens teak when used in combination with JustTeak™ Teak Cleaner.

TEAK SEALER

Ensures a beautiful, natural finish that protects your teak from sun, rain and stains. You will also prolong your teak from turning grey, and when it is time to re-apply, Teak Sealer can be easily removed with JustTeak™ Teak Cleaner and Teak Brightener.
